About Us

Community – Bend Pops Orchestra is committed to producing, presenting, and promoting memorable music for the enrichment of Bend and the surrounding communities.

Musicians – Our mission is to provide an environment for the musicians in the community to develop and apply their musicianship, to learn from and interact with fellow musicians, and to experience the pleasure of preparing and presenting varied music programs for the community.

Now in its 13th season, the orchestra currently features over 70 of Central Oregon's professional, semi-professional, and amateur musicians. Bend Pops Orchestra is inclusive and open to all musicians (availability in some sections is limited). If you or someone you know is interested in joining us, please contact us at info@bendpops.org.

Eddy Robinson is an orchestra conductor, music educator, and performing musician known for bringing energy, warmth, and joy to the podium. A graduate of the University of Oregon (B.M.Ed., 2004), he teaches middle and high school musicians. He has conducted the Bend Pops Orchestra since 2021, where he has been a fundamental factor in more than doubling the ensemble's size. During his tenure at Mountain View High School, his orchestras have grown in both size and artistic quality, qualifying for and competing in the OSAA Orchestra State Championships multiple times. Eddy also serves as Principal Bass of the Central Oregon Symphony, maintaining an active performance career alongside his teaching and conducting.
