COCO

- As a charitable organization COCO has relied on the generosity of many people for their donations. In fact, this weekend's concerts are the direct result of past donations from our audiences. COCO presently has an offer of \$5000 if we can match it with our efforts to raise funds. Everything we receive in donations today up to Thanksgiving 2019 will be used to match this offer. All monies will be placed in our dedicated fund for Scholarships.
- COCO has always maintained a scholarship fund so that our fees do not prevent someone from joining the orchestra. We are now in a positions to expand this program into offering scholarship assistance to children who wish to play an instrument and who do not have that opportunity. If you are able to offer a donation or a pledge today, we assure you it will not be used for anything other than scholarships.
- We thank you for coming today. The reason COCO exists is to share our music with you.
- Please see the back of this insert for information about making a pledge or donation.
