

Holiday at the Pops

Come celebrate the season with festive and heart-warming music we've selected for you at **Holiday at the Pops!** We will present some of the season's favorites from the Christmas adventure, ***The Polar Express***; four holiday tunes arranged by Jack Bullock; Leroy Anderson's iconic ***Sleigh Ride***; and those lovable Peanuts characters in ***A Charlie Brown Christmas!*** Also included are ***Ancient Echoes of Time***, an imaginative musical landscape by Douglas Wagner; four of ***Duke Ellington's*** best in a brilliant arrangement by Calvin Custer; the slow and mysterious unfolding of Beethoven's masterpiece, the ***Second Movement of Symphony No.7***; and ***Gravitas***, a powerful work celebrating strength, beauty, and life's journey by the internationally acclaimed Soon Hee Newbold. In addition to two small ensembles, **Bells of Sunriver** will make a special guest appearance to literally Ring in the Season!
