About Us

Community – Bend Pops Orchestra is committed to producing, presenting, and promoting memorable music for the enrichment of Bend and the surrounding communities.

Musicians – Our mission is to provide an environment for the musicians in the community to develop and apply their musicianship, to learn from and interact with fellow musicians, and to experience the pleasure of preparing and presenting varied music programs for the community.

Now in its 11th season, the orchestra currently features over 60 of Central Oregon's professional, semi-professional, and amateur musicians. Bend Pops Orchestra is inclusive and open to all musicians (availability in some sections is limited). If you or someone you know is interested in joining us, please contact us at **info@bendpops.org**.

Subscribe to our email list and never miss a performance! We do not share your information with anyone. Scan the QR code to sign up or visit **BendPops.org**!

Come See Us Again!

Winter Concert — March 2026

Eddy Robinson, Conductor & Music Director

In March of 2021, Bend Pops Orchestra was privileged to announce Eddy Robinson as its new conductor. With the ebbs and flows of the pandemic, Eddy was unable to take up the baton until the spring of 2022, and the orchestra could not perform in concert that season. The Holiday Concert in 2022 marked Eddy's public performance debut with the Pops.

Bend Pops musicians have flourished under Eddy's leadership. He manages with grace and humor the challenges of a community group with all levels of ability, and his skills as a music educator have

brought new passion and cohesion to the group. This new synergy manifests itself in the group's improved sound and member enthusiasm.

Eddy is a wonderful musician in his own right and plays string bass with the Central Oregon Symphony. Eddy is in his 20th year of teaching orchestra in public schools, and his 13th year in Bend.
